Dr. Glenn Mulligan,
Assistant Principal

OUR NEEDED COUNSELORS

Mr. Hull, one of our very helpful counselors works with teachers, students and staff members on just about everything.

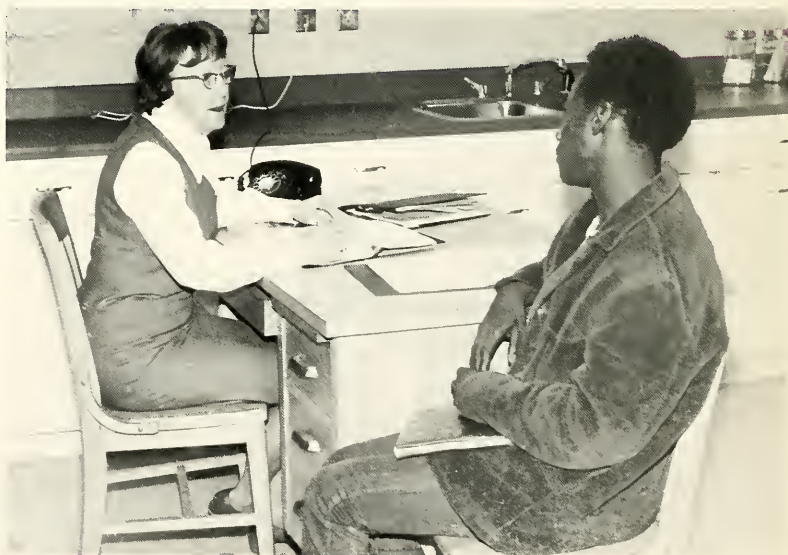

Miss Moore is always kept busy with questions and many problems for her to solve.

SECRETARIES: LEFT: Mrs. Joan Sterling. RIGHT: Mrs. Burnice Toor

Many people wondered how these two ever efficient secretaries have survived the past two years at Miami. They have, and we're very glad.

Mrs. Ester Warner: Staff Nurse

"My head is killing me!" This is heard at least five times a day by Mrs. Warner. But, do you think she minds? No, she is always willing to help.

COOKS TOP ROW: A. Grey, H. Geyer, N. Lobett, E. Prather, J. Krone, B. Hege, I. Roby, B. Ginter, R. Farrell. BOTTOM ROW: E. Alter, G. Seig, P. Ehrman, D. Screeton, C. Gillie, S. Baughman, I. Roby, I. Wilson, I. Miller.

CUSTODIANS BACK ROW: J. Haviland, J. Maples, C. Dumford, A. Frankstein, P. Claymiller. FRONT ROW: D. Dolin, C. Polley.

If not for the help of the librarians, many students would never find that one certain book out of the many thousands.

LIBRARIANS: LEFT — Mrs. Ruthrich. RIGHT — Mrs. Kariger.

The Media Center provides a place for recreational reading and studying.

Study, study, study, and keep studying!

A stack of old, worn books. The top book has a label that says "BLACK LINE ME". Below it, the word "ACADEMICS" is printed in a white box. Further down, the word "INTRODUCTORY" is visible on a book spine. At the bottom, the words "MODERN BIOLOGY" are visible on a book spine.

MIAMI INDIANS PREPARE FOR THE FUTURE

Mrs. Ewing teaches typing . . .

And . . . General Business.

BOTH Courses help prepare students for the business world.

MR. FULK, BIOLOGY, DISECTING, MR. HOLE

BIOLOGY Mr. Fulk points to one of his favorite people, Henrietta.

Disection Time!!!

"Biology bugs drive me batty!"

Social Studies classes study countries, heroes, effects of war, geography, and climates. Students study and learn mistakes made in the past, observe elections, and try to understand different governments and how they function.

SOCIAL DEVELOPMENT

During the week of the 1972 election, students were taken to the lecture room where Mr. Scatena gave talks on how an election is held. Mr. Scatena told the obligations of persons involved in an election and the requirements of a voter.
